7:00 p.m.: PUBLIC HEARING: Notice of Intent, Michael Oumet, 15 Lake Shore Drive Extension, replacement of a failed septic system. Michael Ouimet and his engineer Robert M. Cafarelli were present to answer questions. An Order of Conditions was written to include hay bales.

Aaron DeWar roadside site visit update: Secretary stated she had gone by the project on Ragged Hill Road and the new driveway, which the Commission had asked to be removed, had been removed and there were hay bales placed on one side of the removed driveway and silt fence on the other side. The area appeared to be muddy.

Reviewed notification of lake treatment by Lycott Environmental, Inc. for July 9, 2009.

Reviewed CSX notification of Railroad-Right-of-way Management treatment program.

Letter received on Potential Hazard Mitigation Grants available. Secretary to give to the Board of Health.

Town Accountant, Marie Arsenault has asked the Conservation Commission to return the funds in a Special Conservation Commission Fund back to the General Fund because the Town funds our program and the Town has not been adding funds to this account for some time. Gordon DeWolf questioned whether we can legally give the monies back to the Town and should they have stopped putting money into this account. He would like to talk to Johanna about having Town Counsel give us a ruling on this.

Brian Silva made a motion to approve the minutes of June 3, 2009. Seconded by Diane Oliver-Jensen. Voted 4-0 to approve.
