The meeting was called to order by Chair Al Collings at 6:40 p.m. at the West Brookfield Elementary School gymnasium. The meeting was prior to the Special Town Meeting.

Al Collings explained that the Water Department wanted to pass over Article 11 and 12.

Phil Landine made a motion to pass over Article 11 and 12, which were:

Article 11: To see of the Town will vote to transfer from the Water Stabilization Account the sum of $39,682.10 to purchase eighteen hundred (1,800) feet of eight inch pipe to be utilized from Lower Ridge Road to Safety Kleen on East Main Street; or take any other action relative thereto.

Article 12: To see if the Town will vote to transfer from the Water Stabilization Account a sum of money to install eighteen hundred (1,800) feet of eight inch pipe from Lower Ridge Road to Safety Kleen on East Main Street or take any other action relative thereto.

Diane Vayda seconded the motion. Voted 4-0 to pass over.

Jack Tivnan discussed the school computers. He thought that they had already been purchased and this was not supposed to happen until they received the money from the Town. Mike Frew said that the computers that were installed were from another source.

The meeting was recessed to the Special Town Meeting at 7:00 p.m.

Phil Landine made a motion to adjourn the meeting. Diane Vayda seconded the motion. The meeting was adjourned at 7:35 p.m.

Respectfully submitted,
