The meeting was called to order by Chair Gordon DeWolf at 7:00 p.m.

Minutes:  Brian Silva made a motion to approve the minutes.  Gordon DeWolf second.  Corrections:  Spelling of Anderson and McRevey.  Minutes approved with corrections.

7:00 p.m.:  PUBLIC HEARING:  Lake Wickaboag Dam.  Request for Determination for removal of trees and stumps within 20 feet of the dam.  Determination given to proceed.

7:15 p.m.:  PUBLIC HEARING:  Notice of Intent-Regional Consulting Company/Madden Estates for gravel removal within riverfront area to Mill Brook.  Dan Nitzsche from Regional Consulting Company was present to answer questions.  Jean Tamm, abutter, was present.  Ms. Tamm asked how much gravel will be taken out.  The answer from Dan Nitzsche was that it was unknown.  Gordon DeWolf said to check with Johanna Barry, executive secretary, and she will have figures.  The Public Hearing was continued until the next meeting of August 4, 2010 at 7:00 p.m.  At that time the extent and type of plantings will be determined by mutual agreement between applicant and Conservation Commission.  The approved plant list will become an addendum to the Order of Conditions.

7:30 p.m.:  PUBLIC HEARING:  Kim & Laurel Burdon, 69 Lake Shore Drive Ext.  Replace foundation wall east side of house.  Determination given to proceed.

OPEN SPACE & RECREATIONAL PLAN:  Gordon DeWolf said that the East Quabbin Land Trust is proposing to purchase the McRevey property and will probably resell all or most to farmers.  This is contingent on West Brookfield applying for a State Land Grant.  We must update our Open Space & Recreational Plan by July 15, 2010.  The selectmen have appointed a committee last evening to do this and they will be meeting on Thursday, July 9, 2010.
