William Mankin – Condition of Wigwam Road:
(“Highway Superintendent Benoit was present.) Several residents of Wigwam Road expressed concerns with the condition of Wigwam Road including ice problems, potholes, dead tree limbs (scenic road) and some dead trees, broken road surface and the need to scrape back shoulders of road. The Board explained that they had, acting in their capacity as Road Commissioners, placed Wigwam Road on the Road Repair Schedule for paving; tentatively for 2009. The Board further stated that drainage issues would be addressed at that time; as it appears that several easements may be required. The Board agreed to have the highway address build up ice issues immediately and possibly some tree trimming this summer. The residents thanked the Board for hearing their concerns.

The Board revisited trucking expenses owed in conjunction with Dr. Kereshi’s curb cut return request. Barry stated that he felt that the $50 value assessed by the Highway Superintendent was too low for what was provided. Superintendent Benoit cautioned Barry that he should not address the subject, as he believed it would be an ethics violation for Barry. Barry asked what his financial gain would have been. John asked how many loads of material were delivered to the site. Supt. Benoit stated two (2). John asked how long it took. Supt. Benoit stated under an hour. John asked how long it took to use the loader to load the truck. Supt. Benoit stated a few minutes. John asked what the going rate was for an hour of delivery time. Supt. Benoit stated that he believed fifty ($50) was a sufficient charge. John stated that although he was told that the town did not pay for the material involved he believed it would still have some value. Supt. Benoit stated that the material was “undesirable”. Tom questioned the Supt. further about the material. Supt. Benoit stated that the material may have been contaminated. Barry stated “Nice job. Right next to a stream.” Tom agreed to leave the value at fifty dollars, to be deducted from the curb cut. John agreed.
