The Board met with Lori Piazzo, Recreation Committee member. The Board stated that they did not agree with paying for a porto-potty for the school grounds. The Board noted that they had received complaints that there were no porto-potties at the Town Beach. Ms. Piazzo stated that the potties had been ordered. The Board stated that they believed that the cost of electrical work at the school field should be borne by the School District. The Board discussed the possibility of allowing the Recreation Committee to charge for usage of the Town Beach. After some discussion the Board agreed to hold a Public Hearing to obtain feedback from town residents on charging for usage of the beach and adjustments to the lifeguard schedules. The Board discussed usage of the Town’s Website v. outside costs for websites. Ms. Piazzo stated that they plan to place “No Smoking on Beach” signage at the Town Beach. The Board inquired about delivered beach sand meeting the requirements of the Conservation Committee. Sarah stated that she would speak with Conservation. Sarah stated that the lifeguards used to rake the beach to deter underground bees. Ms. Piazzo took the information under advisement.

The Board noted that Holly Takorian – Interim Library Director stated that the Library Board of Trustees was meeting with potential candidates; but was having a hard time getting a quorum of members together.

Sarah motioned to exclude department heads from the residency rule attached to the Regionalization Task Force. Second John. The Board voted unanimously.

Sarah stated that the Cemetery Clerk had been paid incorrectly. The pay should have been pro-rated. The Board agreed to instruct the Treasurer/Accountant/Cemetery Commissioners to rectify the pay.

The Board noted that they had received complaints about the piles of leaves and brush at the Drop Off Center becoming invasive. The Board agreed to ask the Highway Superintendent to “push back” the piles.

The Board reviewed information from Sgt. Laperle requesting to move five (5) sick days into his IRA; per the Union Contract. Noting that Sgt. Laperle failed to meet the request deadline; the Board agreed to have the Police Chief send the Sgt. a denial letter.

The Board agreed to work with the Triathlon Committee and Friends of the Bandstand to create “check lists” with regard to the protocol to be followed for the Triathlon and Fourth of July Celebration. The Board noted that they will be meeting with both groups in the upcoming weeks. The Board also expressed concerns with regards to the Route 67/9 Reconstruction Project scheduled for 2016 and the Concerts on the Common for the same year.

It was noted that the Ye Olde Tavern received an extension on their monitoring until 27 July 2015 – per the Building Inspector. A representative from American Alarm picked up the plans and is currently in the process of reviewing the documents.

John motioned to adjourn at approximately 8:50 pm. Second Sarah. The Board voted unanimously.

Respectfully submitted,

Chairman ___________________________ Vice Chairman ___________________________ Clerk ___________________________
