The Advisory Committee met jointly with the Board of Selectmen and Quaboag Regional School District Committee. Approximately 28 people were present representing various Boards. The meeting was called to order at 6:30 p.m.

Al Collings asked who is responsible for capital budget items. Lori Loughlin stated that a committee would be comprised of various Boards totaling 18 people who would be looking at the projects.

Al Collings asked if the numbers were good and if there were any add on items. Bret Kustigian, Superintendent of Schools, said the numbers are pretty good right now. Discussed the pros and cons of double boilers to be able to use either gas or oil.

Bred Kustigian says that the Town of Warren wants to hold tight at this moment in time.

Steve Bachelder made a presentation on the West Brookfield Elementary School Technology Upgrade Project. A question and answer session was held on the various options presented.

Johanna Barry said that she has three weeks vacation but will make herself available to draft the article. She said June 6, 2011 is the deadline for the warrant to be posted and to work backwards from that. She will need the Committee to submit resolutions and to be specific before the deadline to give her time to review and draft the article.

Al Collings said we need to have an information piece for the voters.

Jack Tivnan made a motion to adjourn the meeting. The meeting was adjourned at 8:07 p.m.

Respectfully submitted,

Christine M. Long
Secretary
