The meeting was called to order by Chair Gordon DeWolf at 7 p.m.

PUBLIC HEARING: Notice of Intent, MassDOT: Adam Shoukimas, MassDOT and
Brian Sullivan, engineer from Bayside Engineering presented the plan. The sidewalk
will be on the East Side of East Main Street with 5’ sidewalks with 2’ grass in some areas
and 4’ sidewalk in other areas. The sidewalk will run from Foster Hill Road to second
Ridge Road/Route 9 with a crosswalk to Howards Drive-in with rapid flash beacon on
both sides. It will have a push button and strobes will begin flash when someone wants
to cross the street. This is powered by solar and requires no maintenance. There will be
replication of 775 square feet. At the bridge, the sidewalk will come out to go across the
bridge. They will restripe an area beginning at the top of the hill and narrow down to 11’
from a 12’ road. They hope to begin construction next spring and it may take more than
one season to complete. Order of conditions was written. Jesse Serrano, Brian Silva and
Eric Tunley did the site visit.
