The meeting was called to order by Chair Eric Tunley at 7 p.m.

MINUTES: Eric Tunley made a motion to approve the minutes of March 6, 2019 as presented. Brian Silva second. Vote was unanimous to approve the minutes of March 6, 2019 as presented.

Tim Nolan and Steve Carroll sat in on our meeting this evening. They have expressed an interest in becoming a conservation member when a vacancy occurs.

Cliff & Doreen Comptosis came to discuss a shed that they want to convert to a garage. Brian and Eric did a site visit. They will get engineered plans and submit a Request of Determination.

Adrian Phaneuf, 108 Lake Shore Drive, wants to restore his beach area by moving sand from the volleyball area to the beach. He will be removing seven railroad ties. He will be using hay bales while working. Conservation members agreed that he could do this.

It was noted that a resident of Barr Road in New Braintree is logging and bringing logs through West Brookfield by way of Wickaboag Valley Road in an area 20-30’ from a brook. Discussion held. Eric will contact Judy, our circuit rider, to find out where the landing area is located on the Forest Cutting Plan and make a site visit.

Richard Chaffee came to discuss a house he wants to build on Lake Shore Drive. He has been working with zoning. He has an approved septic. He originally wanted to place his house 125 feet from the water but now wants to build nearer to the lake. He will submit a Notice of Intent to be on the agenda for our next meeting July 10, 2019.

David Brooks, 50 Birch Hill Road, submitted a Request for Certificate of Compliance. A site visit will be made and a Certificate of Compliance will be issued at our next meeting.

Site Visit: 50 Boston Post Road Solar Project. The owner harvested lumber that goes beyond the original plan. By doing this, he changed the existing conditions of the plan
that was submitted to Stormwater. Christine Long made the site visit and Eric Tunley discussed erosion controls with the engineer. Hay bales have been placed.
